

## PUBBLICAZIONI INTERNAZIONALI CON REFEREE

A1) COVA D., CHIESARA E. and RIZZI R..

**“Some aspects of metabolic fate of Vinclozolin”**

Toxicol Letters S. 1,147,1980

A2) CHIESARA E., ARNOLDI A., COVA D. and RIZZI R.:

**“ Detection of mutagenicity of Vinclozolin and its epoxide intermediate”**

Arch. Toxicol Suppl. 5,345-348,1982

A3) CHIESARA E., CUTRUFELLO R. and RIZZI R.:

**“Chromosome damage in heroin-marijuana and marijuana addicts”**

Toxicology in the Use, Misuse and Abuse of Food, Drugs and Chemicals, Arch. Toxicol. Suppl. 6, 128-130, 1983

A4) ADE P., BANCHELLI SOLDAINI M.G., CASTELLI M.G., CHIESARA E., CLEMENTI F., FANELLI R., FUNARI E. IGNESTI G., MARABINI L., ORUNESU M., PALMERO S., PIRISINO R., RAMUNDO ORLANDO A., RIZZI R., SILANO V., VIARENGO A. and VITTOZZI L.:

**“ Biochemical and morphological comparison of microsomal preparations from rat, quail, trout, mussel and water flea”**

Ecotoxicology and Environmental Safety, 8, 423-446, 1984

A5) RIZZI R., CHIESARA E., COVA D., MATTIOLI and DI LERNIA R.;

**“Acrylonitrile: mutagenicity in yeasts and genotoxicity in HeLa cells”**

Mutation Research, 3, 123-130, 1984

A6) COVA D., CHIESARA E. and RIZZI R.:

**“ Interaction of Acrylonitrile with the liver mixed function oxidases”**

Diseases, Metabolism and Reproduction in the Toxic Response to Drugs and Other Chemicals, Arch. Toxicol. Suppl. 7, 291-294, 1984

A7) DI LERNIA R., MAGNANI I, DONEDA L., RIZZI R. and LARIZZA L.:

**“Cytogenetic instability in a family with gastric cancer recurrence”**

Cancer Genet. Cytogenet., 27, 299-310,1987

A8) RIZZI R., RE F., CHIESARA E. and TRABUCCHI E.

**“Automatic computerized image analysis of mast cells in scar tissue of treated rats”**

Basic and Applied Histochemistry, 31 suppl. 2, 67,1987

A9) RIZZI R., PIATTI E., CHIESARA E., MARASI G.L. and ZANON G.:

**“ Chromosome aberrations in human lymphocytes with a new resin composite for aerospace use”**

Arch. Toxicol. Suppl. 12, 334-336, 1988

A10) RIZZI R., CHIESARA E. and RE.F.:

**“ Clastogenic effects of opiates in drug addicts”**

Med. Biol. Environ, 16, 1, 383-387, 1988

A11) DE GENNARO V., CELLA S.G., BASSETTI M., RIZZI R., COCCHI D. and MULLER E.E.  
**“ Impaired growth hormone secretion in neonatal hypothyroid rats: hypothalamic versus pituitary component”**

Proceedings of The Society for Experimental Biology and Medicine, 187,99-106, 1988

A12) CASELLI E., SPINELLI M., RIZZI R. and CHIESARA E. :

**“ Distribution of nuclear organizing regions (NORs) in benign and malignant prostatic lesions : a quantitative and comparative study”**

Med. Biol. Environ., 17,77-85,1989

A13) RIZZI R., CHIESARA E., CASELLI E. and SPINELLI M. :

**“ Polymorphism of Ag-stained nucleolus organizer regions in lymphocytes of patients with Hodgkin disease”**

Med. Biol. Environ., 17, 285-288,1989

A14) RIZZI R. and BORGHINI R. :

**“Indicators for biomonitoring of genotoxic chemicals in humans”**

Med. Biol. Environ., 17, 381-394, 1989

A15) PIATTI E., RIZZI R., RE F. and CHIESARA E.:

**“Genotoxicity of heroin and cannabinoids in humans”**

Pharmacological Research, 21 suppl.1, 59-62,1989

A16) MONARCA S., RIZZI R., PASQUINI R., POOL B.P., DE FUSCO R., BISCARDI D., GERVASONI M, and PIATTI E.:

**“Studies on genotoxic properties of precursor of polyethylenterephthalate plastics”**

Mutation Research, 216, 5, 314-315,1989

A17) MAGNANI I., LARIZZA L., DONEDA L., WEITNAUER L., RIZZI R., DI LERNIA R.

**“Malformation syndrome with t(2,22) in a cancer family with chromosome instability”**

Cancer Gen. Cytogenet. 38(2), 223-227, 1989

A18) CASELLI E., SPINELLI M., RIZZI R. and CHIESARA E. :

**“Visualization of interphasic nucleolar organizer regions ( NORs) in a series of bladder biopsies: a quantitative evaluation”**

Med. Biol. Environ., 18, 3-8,1990

A19) LERDA D. and RIZZI R.:

**“Study on the reproductive function in persons occupationally exposed at 2,4,D”**

Med. Biol. Environ., 18, 47-55,1990

A20) LERDA D. and RIZZI R.:

**“Study of reproductive function in persons occupationally exposed to 2,4-Diclorophenoxyacetic”**

Mutation Research, 262 (1),47-50, 1991

A21) BIANCHI A., ROVETA G., RIZZI R., PIZZALA R., CHIESARA E., BERTE' F. and SANTAMARIA L.:

**“Increase in mouse liver mastocyte frequency induced by betacarotene. Computerized cytological image analysis”**

Pharmacological Research, 22 suppl.2,54, Sept-Oct. 1990

A22) LERDA D. and RIZZI R.:

**“Cytogenetic study of persons occupationally exposed to ethilene oxide”**

Mutation Research, 281(1), 31-37,1992

A23) MONARCA S., POOL B.P., RIZZI R., SCHMEZER P., PIATTI E., PASQUINI R., DE FUSCI R. and BISCARDI D.:

**“ In vitro genotoxicity of Dimethyl Terephtalate”**

Mutation Research, 262 (1), 85-92, 1991

A24) RIZZI R., RE F. and CHIESARA E.:

**“ Computerized Image Analysis of nuclear enlargement in HeLa cells”**

A.T.L.A. 19, 41-47,1991

A25) RIZZI R. and BORGHINI R.:

**“ DNA-repair in rat hepatocytes: theoretical and pratical considerations in the use of scintillometric quantitation”**

Med. Biol. Environ., 19, 87-99,1991

A26) GATTI C., RIZZI R. and BORGHINI R.

**“ Atrial myxomas : a review of the English-language literature”**

Med. Biol. Environ., 19, 79-85, 1991

A27) FERAZZA M. , RIZZI R., BORGHINI R. and PIROLA R.:

**“ Clinical Pharmacology Unit in Clinical practice : an example in Oncology”**

Med. Biol. Environ., 19, 111-118, 1991

A28) BIANCHI SANTAMARIA A., RIZZI R., PIZZALA R., BERTE' F., CHIESARA E.:

**“ Proposal for the outline of a mix of pesticides to be evaluated for long-term toxicity”**

Med. Biol. Environ., 19, 445-450,1991

A29) BIANCHI A., TATEO F., RIZZI R., PIZZALA R., TATEO S., BERTE' F., CHIESARA E., ZARA C.:

**“ Environmental analysis to detect the presence of phitochemicals in human and cow milk”**

Pharmacology and Toxicology, 69, 22-24,1991

A30) RIZZI R., RE F., BIANCHI A., DE FEO V., DE SIMONE F., BIANCHI L., STIVALA A.:

**“ Mutagenic and antimutagenic activities of *Uncaria Tomentosa* and its extracts”**

J. Ethnophamacology 38,63-77,1993

A31) RIZZI R.:

**“ Incidence of cancer and schizophrenia”**

Med. Biol. Environ., 21, 277-281, 1993

A32) RIZZI R., BOSELLI C., BORGHINI R., PIROLA R.

**“The use of Benzodiazepine drugs on Pharmaceutical Informators”**

Med. Biol Environm 24(1), 43-45, 1996

A33) RIZZI R., BOSELLI C., BORGHINI R., PIROLA R., F. RIZZI, A. SGARRA

**“The use of Benzodiazepine in general population. An interview survey”**

Med. Biol Environm 24(1), 47-50, 1996
